Digital Trading Solutions

Heading to the ADPI/ABI Annual Conference?

April 23-25, 2023, Chicago

Talk to the Nui team about how you can achieve better trading outcomes by incorporating our digital marketplace into your sales strategy.

Nui is more than a digital enabler; our intuitive platform offers real-time data and market knowledge, empowering buyers and sellers to trade with improved price transparency and market efficiency - a must in an increasingly turbulent industry with ever-changing global supply chain needs.

Kevin O'Sullivan

Founder and CEO

kevin@nuimarkets.com

Kevin is the co-founder and CEO of Nui. He is an experienced financial market professional in brokering and foreign exchange trading. Kevin is a highly motivated entrepreneur with a deep understanding of international trading markets and experience in business leadership, people management and strategic direction.

Ronald Kevin O'Brien II

President Nui North America

ron@nuimarkets.com

Ron is the President of Nui North America. He is energetic and highly optimistic about furthering technology's role within the Global Dairy Market, specifically in North America. Ron's expertise within financial Dairy derivatives spans 20 volatile years. Regardless of what side of the table Ron is on, he brings innovative value propositions to all.

Ashley Honey

Senior VP, Americas

ashley@nuimarkets.com

Ashley is the Senior VP of Nui Americas. Ashley has over 15 years of experience in commodities, foreign exchange trading and treasury risk management. Before joining Nui in 2018, Ashley worked on financial markets projects with some of the world's largest corporations in New Zealand and the United States, including BNP Paribas, Ball Corporation, and Barclays Capital.

Jeppé R.S. Joker

Senior VP Europe

jeppé@nuimarkets.com

Jeppé is a strong sales professional with extensive European dairy trade industry knowledge and expertise in sales, logistics and primary sectors. Before joining Nui, Jeppé was a Key Accounts Manager at Arla Foods, where he played a crucial role in developing and implementing the Arla Cheese online trading platform. Jeppé has a Marketing Management degree from the Business Academy in Aarhus.
